Willoughby-Eastlake City Schools Five-Year Strategic Plan 2017 - 2020

Addendum: NCI Strategic Plan

Mission: *The Northern Career Institute prepares students for a meaningful career and beyond.*

Vision: See Willoughby-Eastlake Strategic Plan page 3

<b>Safety</b>	<b>Education</b>
Goal: Collaborate with stakeholders to incorporate best practices to prevent, identify, support, and respond to crisis situations.	Goal: Engage students in comprehensive curriculum that is relevant and responsive to their educational needs.
Goal: Provide standardized and adaptive processes for crisis prevention, response and recovery to ensure the social, emotional and physical safety of all.	Goal: Provide balanced, research-based instruction that inspires and positions students to achieve employment.
Goal: Provide clear and concise information during all stages of a crisis.	Goal: Ensure students' abilities to be self-directed, confident and adaptable in order to sustain employability.
<b>Resources</b>	<b>Business Partnerships</b>
Goal: Maintain and enhance fiscal stability maintaining prudent financial aid policies and procedures.	Goal: Nurture and cultivate well-connected business partnerships.
Goal: Maintain career technical programming that meets community needs and student interest.	Goal: Amplify our brand so it resonates within our community.
